MONETARY ASSISTANCE PROGRAM GUIDELINES

These guidelines establish procedures for the implementation of Blacks In Government’s (BIG) Monetary Assistance Program (MAP). MAP provides monetary assistance to chapters and regional councils to support their specific activities and projects that are in line with the goals and objectives of BIG. In this manner, BIG becomes more effective in accomplishing its goals and objectives.

1. Funding Guidelines

1.1 Requests may be made for refundable (award range $1000 - $3000) or nonrefundable assistance (NTE $1500).

- Monetary assistance that is not to be refunded may be awarded up to $1,500 for chapters or a regional council.

- Monetary assistance that is to be refunded must be repaid in 24 months. This amount may not exceed $3,000. Monetary assistance may range from $1,000 to $3,000.

- A combination of each type of assistance may be approved for a single program. This combination may not exceed $4,500.

1.2 No more than one award of assistance may be made to a chapter or regional council within a three-year period.

1.3 MAP funds can not be applied to expenses associated with any preexisting national programs (i.e., the Annual Blacks In Government National Training and/or Regional Conferences, STEM Student Competition, and Training In Communications Program, etc.).

1.4 The National Program and Planning Committee will review all requests and recommend approval or disapproval to the National Executive Committee. The National Executive Committee is the approving authority for all MAP requests.

1.5 Chapters and regional councils will be made aware of the status or action taken on their request within 30-60 days of submission.

1.6 Final approval for monetary assistance for chapters and/or regional councils will be determined on an as needed basis after a review of financial status.
